# You and Your Business'

- Do you know what H&S Legislation states?
- How do you comply with it?
- How do you monitor compliance?
- Simply do you –
  - Plan – Do – Check - Act

- Who is your “competent” safety person?
- Do you have a legal register?
- Do you maintain accident statistics?
- How do you select and manage Contractors?
- Have you provided a H&S Induction to all Employees?
- What training have you provided – manual handling/DSE/lone working?
- Do you know the implications of non-compliance?  
– Fee for Intervention/Fines/Directors - Prison
